**GORDON, NEBRASKA**

(Front cover—Scotsdale Aristocrat)

## General Information

**TIME**—Tuesday, February 16, 1971. The sale will start promptly at 12:00 Noon, Mountain Time.

**LOCATION**—The sale will be held at the Gordon Livestock Auction Co., Pavilion, Gordon, Nebraska located at the junction of highways 20 and 27.

**TERMS**—The terms of this sale are cash unless other arrangements are made in advance with the consignor and the sale manager is notified of the arrangements. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

**GUARANTEE**—All cattle will be sold under the Standard Guarantee recommended by the American Shorthorn Association.

**LIABILITY**—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneer, clerk, and sale manager have been employed by the consignors for specific tasks not connected with the handling of the cattle or the condition of the premises, and they accept no liability, legal or otherwise, for the buying contract or for any accident. Every effort will be provided for the comfort and safety of those attending this sale, but sellers cannot accept liability for injuries that may occur. Accidents at cattle sales are rare, but all attending must do so at their own risk. Statements from the block will take precedence over information in the catalog.

**HEALTH**—All cattle will be sold according to the health regulations of the State of Nebraska. Buyers must be aware of any variations between the laws of Nebraska and their own states. Interstate health certificates will be furnished.

**CERTIFICATES OF REGISTRY**—Certificates of registry with transfers entered and recorded in the buyer's name will be furnished for each lot sold and for every calf at foot. An application will be furnished for every calf carried in dam. Where footnotes appear in this catalog they were furnished by the seller or written from information supplied by the seller.

**BREEDING DATES**—The Huckfeldt females are bred naturally on grass mostly during the months of June and July with a few exceptions. No specific breeding dates are available with a few exceptions. However, all the females selling with the exception of those with young calves at foot are so obviously in calf and near calving that no pregnancy problem exists. Announcements from the auction block on sale day regarding breeding date exceptions are final and will take precedence over data in the catalog.

**HERD INSPECTION**—The sale cattle will be moved to the sale pavilion at Gordon on Monday prior to the sale on Tuesday, Feb. 16. Prior to that everybody is welcome to inspect the cattle at the Huckfeldt ranch located 2 miles North and 4 miles East of Gordon.

**SHIPPING AND TRANSPORTATION FACILITIES**—Gordon is on the main highway No. 20 on which much livestock moves in transit in all directions. There will be ample trucks available for either short or long distance hauling and either small or large loads.

## *Welcome from The Huckfeldts —*

We extend a warm welcome to our first sale. We are proud that this sale contains only cattle that were bred, born and raised here at the ranch. They are Shorthorns that have been tried and proven in our herd. They have done well for us and will do the same for others.

Through our many years in the Shorthorn business, we have always tried to produce cattle that have size, scale and growth factor. This was the kind we had to have in this rugged area where nature allows only the strongest to survive. In this, we feel we have been successful because our cattle have produced, developed and never let us down.

We have aimed at offering only good, sound, healthy, productive stock that are either in their prime producing years or young stock with their full productive years ahead of them. We can offer them because we retain mothers and sisters and we want the buyers in our first sale to be satisfied customers.

Our cattle have never been highly fitted but are in good breeding condition to go on to keep growing and give good breeding service for many years.

We are looking forward to seeing you on Monday, February 15 to inspect the cattle at the auction company yards at Gordon. Then we hope you will accept our invitation for a social hour with refreshments at the Dick Prusia home in Gordon at 6:30 p.m. Monday evening, followed by dinner at the Gordon Country Club. Of course, we hope to see you on Tuesday at 12:00 noon for the sale.

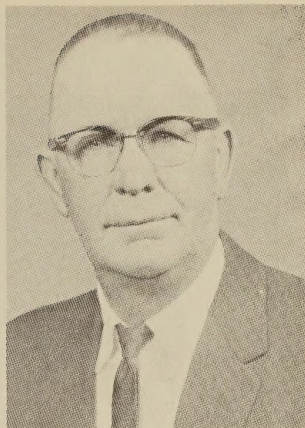

Cordially,

*Joe Huckfeldt*

### *Social Hour and Dinner*

The Huckfeldts invite you to be their guests at a Social Hour and Dinner on Monday evening, February 15. The Social Hour with refreshments will be held at the home of Mr. and Mrs. Dick Prusia, 610 Fairview Drive, in Gordon from 6:00 to 7:00 p.m., after which dinner will be served at the Gordon Country Club. Make plans to join us for the evening.

# *The Sale Good Cattlemen Have Been Waiting For*

**JOE HUCKFELDT**  
1970 "Builder of the Breed"

We are very sure that everyone who has seen the Joe Huckfeldt Shorthorn herd in its natural ranch environment has had that very thought.

Many times in these changing times for beef cattle we have been asked the question, "Where can we find those good, big, rugged, good doing Shorthorns with quality that we used to see years ago?"

It is the considered opinion of many good cattlemen representing all breeds that the Huckfeldt herd is such a herd.

Joe Huckfeldt grew up with Shorthorns on his father's farm. For over forty years he has maintained and developed his own herd with the help of his loyal family. He has never lost sight of the big, growthy cattle that paid their way in his early years. He has resisted the temptation to breed the typy, smaller cattle that were said to be the right kind for a number of past years. Instead, he insisted on retaining the size and growth factor in his herd while improving their quality and uniformity. He obtained the best bulls he could find that possessed these requirements regardless of where or what price. Therefore, we sincerely believe here is the kind of herd that represents the kind of cattle everyone is looking for. What is more significant is that a great large group is being offered at auction for the first time.

That Joe Huckfeldt owns such a herd of cattle is no accident. It has taken years of perseverance, hard work and the skill of a real cattleman in a hard country where nature offers no favors. He has been a National bulwark for the Shorthorn Breed in the rugged Sandhills Country of Western Nebraska and the entire great plains area.

For this he has been deservedly honored and is highly respected by sound cattlemen everywhere.

In 1963 he was honored by the Nebraska Stockgrowers as the "Breeder of the Year" in Shorthorns.

In 1970 he was honored, nationally, by the Shorthorn World as a "Builder of the Breed".

His sincerity, honesty, integrity, good judgment and reputation for square dealing is known wherever good Shorthorns are bred.

The acceptance and satisfaction of leading purebred breeders and top ranchers of all breeds with Huckfeldt productions is proof that these are the kind of Shorthorns for all seasons that you can buy with confidence.

Rarely, do you find a large offering where every animal is bred, born and raised in the herd. You can improve your position in the Shorthorn business by sharing in this great offering. Be there on February 16 to make your selections. It promises to be an exciting day for the breed.

*Albert J. Hamann*  
Sale Manager.

**SCOTSDALE ARISTOCRAT**—This senior herd sire will weigh over 2,000 pounds and has good size, length and elevation. The superior record of his get make him one of the great stock bulls in the country today. He is carefully line bred to the Perth champion Calrossie Prefect whose blood has stood for size and quality for 20 years. Aristocrat is by Scotsdale Navarre, the Supreme Champion of the 1961 Royal Winter Fair who matured at 2300 pounds. Navarre is by Scotsdale Jupiter, the 1956 International Supreme Champion who also weighed over a ton. Aristocrat's dam is also by Jupiter. Thus, both grandsires and both grand dams are by the Perth Champion, Calrossie Prefect. The great Calrossie Welcome appears five times and O. A. C. Mayflower's Ransom three times in the fourth generation of his pedigree. With a background such as this his ability as a sire is no accident. He has sired many champions and sale tops including the champion and record sale top bull of \$2050 at the 1970 Black Hills Stock Show and the champion female. This sale is a real opportunity to obtain his top sons and daughters. He is the sire of 8 bulls, twelve females and service sire of 17 females in this sale.

SCOTSDALE CALEDON—This junior herd sire was purchased in the 1969 Scotsdale sale where at \$5,000 he was the second top selling bull and the choice of many. He was selected for his size, scale, ruggedness and ability to move. At 12 months he weighed 1070 pounds and at 24 months over 1700 pounds. Caledon is carefully linebred in the blood of the Perth champion, Calrossie Prefect and the famous Calrossie Welcome. He is sired by the massive 2225 pound Scotsdale Tehran, he by the 2300 pound Royal Winter Fair Supreme Champion, Scotsdale Navarre. His dam is from the well known Calrossie Miss Ramsden family and both of her grandsires are by Calrossie Welcome. Caledon, himself, was the reserve junior champion at the 1969 Canadian Royal Winter Fair at Toronto. His first calves have arrived and they are everything we had hoped for. Obtaining his valuable get and service offers a real opportunity to obtain the best of seed stock. SCOTSDALE CALEDON IS THE SIRE OF 6 CALVES AT FOOT AND SERVICE SIRE OF 24 FEMALES IN THIS SALE.

DOUBLE WONDER K—Was purchased in the 1966 National Western Sale at Denver for \$2,000 where he was reserve champion sale bull and stood second in class in the open show. A bull with good size, length and bone. He had a 210 day adjusted weaning weight of 605 pounds and matured out to a 2100 pound bull. This big, massive bull was shown in breeding condition on the cover page of the July, 1970 issue of The Shorthorn World. Double Wonder K was carefully line bred in the blood of the great sire M S U Wonder who made a great record at Michigan State and Kansas State universities. His sire, Wonder K 9th, a bull of tremendous size and substance, matured out at well over a ton. The 9th was the grand champion and \$5,000 top selling bull of the 1965 National Western. Double Wonder K has done a great job as a sire in the Huckfeldt herd. His sons have been champions and sale tops in the Rapid City, Yyo-Nebraska and Lander, Wyo. bull sales. A daughter was reserve champion at the American Royal and several state fairs. After 4 years of service, Double Wonder K was sold in late 1970 to the well known Lomas Farms herd, Villisca, Iowa. His sound, modern progeny sell in liberal numbers. DOUBLE WONDER K IS THE SIRE OF 10 BULLS, 29 FEMALES AND SERVICE SIRE OF 23 FEMALES IN THIS SALE.

**J H NAVARRE 14th**—An outstanding two-year old bull that has a world of size, scale and substance. Definitely a real stock bull for the best of herds that want to produce big modern cattle with quality. This bull was the reserve Grand Champion of the 1970 Central States Fair at Rapid City, S. D., and first in class at the 1970 Wyoming State Fair. He is by the outstanding proven sire, Scotsdale Aristocrat whose sons have been champions in many strong shows and topped many leading sales, including the Black Hills Stock Show where in 1970 a son was champion and set a sale record of \$2050 when he sold to Delbert H. Burdine & Son of Bison, S. D. The 14th is the same kind of a bull in every way. His great producing dam is by the ton weight and Denver reserve sale champion, Double Wonder K. This bull could solve the herd bull problem for many top herds.

J H NAVARRE 21st—This bull is definitely of herd bull and stock bull caliber. Sired by the great sire Scotsdale Aristocrat whose sire and grandsire both weighed well over a ton, he comes from a Roan Lady family that has always produced top cattle. This bull is long, smooth, well balanced with plenty of elevation and extremely sound. He was the junior champion bull at the 1970 Wyoming State Fair and first in class at the 1970 Central States Fair at Rapid City, South Dakota. He has come along exceptionally well since then and is now a bull that buyers can travel many miles to inspect. He will suit.

# Standard Guarantee

## Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
